

Repair. Protect. Finish.

Basement Authority™

What we do is simple...

We **Repair** basement problems.

We **Protect** your investment.

We **Finish** your perfect lower level.

Exceeding your expectations is our foundation. Our technicians are trained, drug tested, and background checked. We will help guide you through the process. Our experience has taught us what really works the best and we only recommend the right solutions for your basement.

Our Certified Solutions are designed to be efficient, effective, and durable. When you trust us with your basement, you can trust our work because it is guaranteed for life.

Give us a call to schedule a no-obligation consultation.
